AI Content Marking Certificate

This certificate records that the content below was marked as AI-generated and how to verify it. It is a factual record for the EU AI Act Article 50 transparency obligations.

WHAT WAS MARKED

Marked by	Your organization
Marked on	14 June 2026 14:52:00
Document ID	doc_demo_8f21
Manifest instance	urn:uuid:9b1c2d3e-4f56-7898-abcd-ef0123456789
Marked segments	2
Verify at	https://verify.encypher.com/v/doc_demo_8f21

REGULATORY REFERENCE

- EU AI Act, Article 50(2)
- EU AI Act, Article 50(4)
- Non-compliance carries fines of up to EUR 15 million or 3 percent of global annual turnover. Marking applies from August 2, 2026 for systems newly on the market, systems already on the market must comply by December 2, 2026.
- This grace period reflects the May 2026 AI Omnibus agreement, which is provisional, pending formal adoption.

Verify this content

This certificate is an automatically generated record of a marking action. It states facts about what was marked and points to the public verification link. It does not constitute legal advice.
